What is a Life Group?

A Life Group consists of 12-15 people that meet weekly in a "host" home or at LHC to study the Bible, share, and encourage and support one another. The average meeting lasts 90 minutes and starts with snacks and refreshments. Each week they study the scripture that will be preached on during the next Sunday sermon. It's a great way to meet other church members and make new friends.

Yes, I am interested in joining a Life Group.
