**Today we welcome Vida - Who is Vida?** - Vida is a not-for-profit organization based in Appleton, Wisconsin. Founded in 1983, Vida has grown to now provide free, confidential, and compassionate medical care, parent support services, material support, and maternity housing, for men, women, and families across the Fox Valley and beyond. Vida's main objective is to walk with women and men through trials and tribulations by offering hope, compassion, and education. Vida firmly believes women and men should be empowered and equipped to make life-affirming decisions. We continue to expand our services so that no woman or man feels alone and unsupported when facing challenges related to their sexual health, unexpected pregnancy, or parenting young children under difficult circumstances. In support of Vida an offering will be taken.
