Vida's main objective is to walk with women and men through trials and tribulations by offering hope, compassion, and education. Vida firmly believes women and men should be empowered and equipped to make life-affirming decisions. We continue to expand our services so that no woman or man feels alone and unsupported when facing challenges related to their sexual health, unexpected pregnancy, or parenting young children under difficult circumstances. A representative will be coming to speak to LHC on **Sunday, February 16**. In support of Vida an offering will be taken.
