Mission Statement: Our mission is to lead people into a life changing relationship with **Jesus Christ** by proclaiming **His truth** and equipping every believer to live out the Gospel with **love, integrity and purpose**. We commit ourselves to worship passionately, grow spiritually, serve sacrificially, and reach our families, neighbors and the nations with the hope of **Christ**.

About Us: Living Hope Church is a non-denominational church. We preach the Word of God and believe in the Bible, the Trinity (Father, Son, and Holy Spirit), Salvation through the shed blood and resurrection of Jesus Christ, Water Baptism, and the move of the Holy Spirit.

We're glad you're here!
Your children are welcome to sit with you at any time. Children's ministries are also available for ages newborn through Grade 8.
Be sure to get your child(ren) checked in at the Connection Center.
If you are **NEW** please take a moment to fill out a **WELCOME CARD** and bring it to the Connection Center. Our pastors welcome the opportunity to meet you, so come on up after the service and introduce yourself!

LIVING HOPE CHURCH

October is Pastor Appreciation Month - ***A time set aside each year to honor and give thanks for our Pastors who give, care, and serve us and our communities in remarkable ways.***

A Special Thank You - We extend our heartfelt thanks to Craig O'Connor for his many years of faithful service as an Elder on the Church Board. We are truly grateful for the time, talents, dedication, and love he has given to our church. His commitment and contributions have been a blessing to our congregation and the work of the Lord. He will continue in other roles in advancing LHC's vision and mission. May God continue to bless him abundantly for his faithful service.

Water Baptism and Child Dedication - Today we welcome, support and pray for those who are outwardly professing their faith through water baptism and child dedication.

There are several possibilities that people discuss: the present structures could be removed, damaged, or altered; a political or religious agreement could change how the site is used; or a future temple might be located in a different part of the Temple Mount area. Those are proposed options, not things Scripture tell us will happen. The precise location of the ancient temple in relation to the current structures is also debated.

I would say keep the emphasis on what Scripture clearly says: a temple is measured, the Gentiles have authority over the outer court for 42 months, and God remains in control of the events leading to Christ's reign. We can know and believe that the present situation is an important question without claiming to know exactly how God will resolve it, which is where I stand at this moment.
